The Combinations Generator is a tool which allows you to easily create a series of combinations by selecting the related attributes. For example, if you are selling T-Shirts in 3 different sizes and 2 different colors, the Generator will create 6 combinations for you.

You are currently generating combinations for the following product: iPod Nano

Step 1: On the left side, Select the attributes you want to use (Hold down the "CTRL" Key on your keyboard and validate by clicking on "Add")
