How to use the Forge to contribute to PrestaShop

The Forge is the name of PrestaShop's bugtracker, which uses Atlassian's JIRA tool. This is the best place to describe bugs you are witnessing on your PrestaShop installation, and have the developers try to fix it.

In order to participate, you need to create an account to use the bug tracker. You can do it here: <http://forge.prestashop.com/secure/Signup!default.jspa>

The screenshot shows a 'Sign up' form for JIRA. At the top, there is a blue banner with the text 'To sign up for JIRA simply enter your details below.' Below this, there are several input fields: 'Username', 'Password', 'Confirm Password', 'Full Name', and 'Email'. Each field has a red asterisk indicating it is required. Below the 'Email' field, there is a CAPTCHA section with the text 'Please enter the word as shown below' and the word 'hearts' in a stylized font. At the bottom of the form, there are two buttons: 'Sign up' and 'Cancel'. Below the form, there is a footer with the text 'Atlassian JIRA (v4.2.4-b091#591) | Report a problem' and 'POWERED BY A FREE ATlassian JIRA OPEN SOURCE LICENSE FOR PRESTASHOP SA. TRY JIRA - BUG TRACKING SOFTWARE FOR YOUR TEAM.'

Fill all fields and validate your account request.

The screenshot shows a 'Sign up' success message. At the top, there is a 'Sign up' heading. Below this, there is a message: 'You have successfully signed up. If you forget your password, you can have it emailed to you.' Below this, there is a link: 'Click here to log in.' Below this, there is a message: 'Stay connected with Atlassian. Subscribe to blogs, newsletters, forums and more.' At the bottom, there is a footer with the text 'Atlassian JIRA (v4.2.4-b091#591) | Report a problem' and 'POWERED BY A FREE ATlassian JIRA OPEN SOURCE LICENSE FOR PRESTASHOP SA. TRY JIRA - BUG TRACKING SOFTWARE FOR YOUR TEAM.'

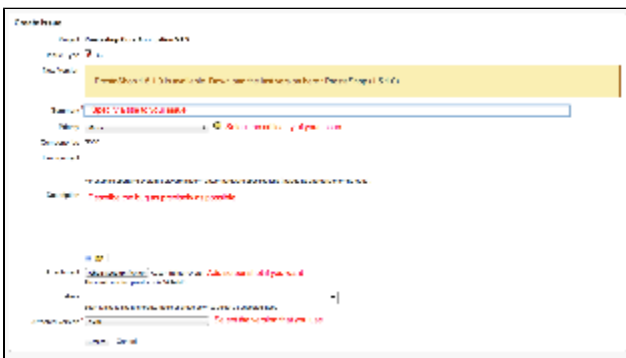

Once your account is validated, click here to log in: <http://forge.prestashop.com/secure>.
