

# User contributions

## User contributions

The PrestaShop community is thriving, and some of its members are happy to create their own documentation. While they are in no way official, we are happy to give them a link, as a thank you for their hard work.

If you created something PrestaShop-related, [please let us know!](#)

## PrestaShop-dedicated blogs, websites and communities

Please note that the only official PrestaShop website is at <http://www.prestashop.com/>.
