

# **\_InclusionsLibrary**

The children of this page contain information which is **included in other pages**. This is a library of reusable information chunks.

If you want to change any of these pages, be aware that:

- Changing page names is problematic — you will need to change all the `include` and `excerpt-include` macros manually.
- The content is used in many places — make sure your change is generic enough to fit the contexts in which the pages are used.
